ABOUT ME

I am a positive, social and extremely hard-working 21 year old who is trying to make his passion in film work. I am someone who has good work ethic and I love leading and working in a team and getting the work done together. I have worked with various popular camera systems, both in Fictional/Factual and corporate environments.

My previous experience has been as DoP, AC and AD. The camera department is where I would like to go in the future.
